

GAF Roofing System Limited Warranty

Congratulations! Thank you for purchasing asphaltic shingles and accessories (the "GAF Roofing System") from GAF, North America's largest roofing manufacturer — your best choice. ***Definition of Lifetime:** The word "Lifetime" means as long as you, the original owner(s) [or the second owner(s) if coverage was properly transferred during the Smart Choice® Protection Period], own the property where the GAF Roofing System is installed. The Lifetime warranty is applicable only to GAF Roofing Systems installed on single-family detached residences owned by individuals. For any other type of owner or building, such as a corporation, governmental entity, religious entity, condominium or homeowner association, school, apartment building, office building, or multi-use structure, the length of the warranty is 40 years.

****GAF Accessories covered under this limited warranty include:** GAF Ridge Cap Shingles, GAF Starter Strip Shingles, GAF Leak Barrier Products, GAF Roof Deck Protection Products, and GAF Cobra® Ventilation Products.

*****Smart Choice® Protection Period:** refers to the crucial period of time following installation of the GAF Roofing System during which the coverage provided for in this limited warranty is non-prorated. After the Smart Choice® Protection Period specified above, the remedy provided for in this warranty may be different than that provided for during the Smart Choice® Protection Period, and any remedy will be reduced to reflect the use you have received from your GAF Roofing System.

******WindProven™ Limited Wind Warranty** requires installation of LayerLock-labeled shingles using 4 nails per shingle, and at least four (4) qualifying accessories. See details above.

*******Special Installation:** Your GAF LayerLock-labeled shingles will be covered up to the maximum wind speed above **ONLY** if installed using **4 nails** per shingle **and** you have GAF Starter Strip Products installed at the eaves **and** rakes. Special Installation for all other GAF Shingles requires use of **6 nails** per shingle **and** GAF Starter Strip Products installed at the eaves **and** rakes. Your GAF Ridge Cap Shingles will be covered up to the maximum wind speed above **ONLY** if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Limited Warranty" section of the applicable ridge cap shingle application instructions.

Who Is Covered By This Limited Warranty; Transferability

You are covered by this limited warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be transferred **only once**. The second owner must notify GAF in writing within **one year** after the property transfer for warranty coverage to be transferred. (Other than this one transfer, this warranty may **not** be transferred or assigned, directly or indirectly.) If the transfer takes place within the Smart Choice® Protection Period, the second owner is entitled to the same coverage as the original owner. If the transfer takes place afterwards, the length of this warranty shall be reduced to the two-year period after the ownership changes. If there is a defect during this two-year period, GAF's reimbursement to the second owner will be based only on the reasonable cost of replacement shingles or applicable accessories, reduced by the amount of use that has been received from the shingles or applicable accessories from the date of installation through the date of claim.

Manufacturing Defects: What Is Covered/Sole and Exclusive Remedy

GAF Warranty Company, LLC, a subsidiary of GAF, warrants that your GAF Roofing Shingles will remain free from manufacturing defects that adversely affect their performance during the applicable Smart Choice® Protection Period or that cause leaks for the remainder of the applicable warranty term and that your GAF Accessory Products will remain free from manufacturing defects that adversely affect their performance during the applicable warranty term. **Note:** Wind Warranty and Algae Warranty are covered separately below.

(1) During the Smart Choice® Protection Period: GAF will pay you the full reasonable cost of labor to repair or re-cover any defective GAF Products (excluding non-GAF accessories, metal work, or flashing) and will provide replacement GAF Products or the reasonable cost of obtaining replacement GAF Products, at GAF's option. GAF will not pay to tear off your GAF Products, or to dispose of them.

(2) After the Smart Choice® Protection Period: Labor will no longer be covered. GAF's contribution to you will be based on either providing you with replacement GAF Products, or, at GAF's choice, reimbursing you for the reasonable cost of replacement GAF Products. The amount of replacement GAF Products or reimbursement provided to you will be reduced to reflect the use you have received from your GAF Products. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term. For a Lifetime warranty, the number of months in the warranty term is deemed to be 600 for years 11-40 of the warranty term. For years 41 and beyond of a Lifetime warranty, GAF's contribution is 20%. For example, if you make a claim for Lifetime Shingles installed on a single-family home after your shingles have been installed for 25 years (300 months), GAF's contribution will be reduced by 300/600 or 50%.

WindProven™ Limited Wind Warranty: What Is Covered/Sole and Exclusive Remedy

This limited warranty is **specifically conditioned** on your meeting all eligibility requirements, including installation of **LayerLock-labeled shingles**, GAF Ridge Cap Shingles, GAF Starter Strip Shingles, and a GAF Roof Deck Protection Product, plus your choice of either a GAF Leak Barrier Product or GAF Attic Ventilation Product, and your **LayerLock-labeled shingles** being fastened and installed **strictly** in accordance with GAF's application instructions. For installations which do not meet these eligibility requirements, see **Wind Warranty** section below. The limited warranty applies only to your **LayerLock-labeled** shingles and does not apply to any GAF Accessory Products. GAF warrants to you that your **LayerLock-labeled** shingles will not fail to seal, blow off, or sustain damage from winds (including gusts) after they should have sealed but did not due to a manufacturing defect. If your **LayerLock-labeled** shingles do fail to seal, blow off, or suffer wind damage, GAF will reimburse you for the reasonable costs of replacing the blown-off or damaged shingles and hand-sealing any unsealed shingles. Costs related to underlayment, metal work, and flashings are not included. GAF's **maximum** liability under this paragraph is to reimburse you for the cost of hand-sealing all of the **LayerLock-labeled** shingles on your roof.

Wind Warranty: What Is Covered/Sole and Exclusive Remedy

This limited warranty is **specifically conditioned** on your shingles or ridge cap shingles being fastened and installed **strictly** in accordance with GAF's application instructions. This limited warranty does not apply to starter strip shingles. GAF warrants to you that your GAF shingles or ridge cap shingles will not fail to seal, blow off, or sustain damage from winds (including gusts) up to the applicable wind speed listed above after they should have sealed but did not due to a manufacturing defect. If your shingles or ridge cap shingles do fail to seal, blow off, or suffer wind damage, GAF will reimburse you for the reasonable costs of replacing the blown-off or damaged shingles or ridge cap shingles and hand-sealing any unsealed shingles or ridge cap shingles. Costs related to underlayment, metal work, and flashings are not included. GAF's **maximum** liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles and ridge cap shingles on your roof.

Note: All self-sealing shingles and ridge cap shingles, including GAF's, must be exposed to warm, sunny conditions for several days before they completely seal. Before sealing occurs, shingles and ridge cap shingles are vulnerable to blow-offs and wind damage. Shingles and ridge cap shingles installed in fall or winter may not seal until the following spring. Shingles or ridge cap shingles that are not exposed to direct sunlight or adequate surface temperatures or that are not fastened or installed properly may never seal. Failures to seal, blow-offs, and wind damage under these circumstances result from the nature of self-sealing shingles and ridge cap shingles, not a manufacturing defect, and are not covered under this limited warranty.

Algae Warranty: What Is Covered/Sole and Exclusive Remedy

This limited warranty applies only to shingles and ridge cap shingles sold in packages bearing the **StainGuard Plus™** or **StainGuard®** logos. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your **StainGuard Plus™**- or **StainGuard®**-labeled shingles or ridge cap shingles for the warranty term listed above. If your **StainGuard Plus™**-labeled shingles or your **StainGuard®**-labeled shingles or ridge cap shingles exhibit a pronounced discoloration caused by blue-green algae during the Smart Choice® Protection Period listed above, GAF's contribution will be either the reasonable cost of commercially cleaning your shingles or ridge cap shingles, or, at GAF's sole option, replacing discolored shingles or ridge cap shingles. The **maximum** cost to GAF shall be the lesser of the original cost of the affected shingles or ridge cap shingles or the cost to clean the affected shingles or ridge cap shingles. During the **remainder** of the limited warranty period, GAF's contribution to you will be reduced to reflect the amount of use you have received from your shingles or ridge cap shingles since they were installed. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the Algae Warranty term.

Note: Preventing pronounced algae-related discoloration of your shingles or ridge cap shingles is achieved through formulations or through unique blends of granules.

What Is Not Covered

Even if your GAF Products were not properly installed according to GAF's application instructions or to standard good roofing practices, this limited warranty remains in effect. However, GAF will **NOT** be liable for and this warranty does **NOT** apply to:

- (1) Damage resulting from anything other than an inherent manufacturing defect in the GAF Products, such as:
 - (a) improper fastening of your shingles or accessories or application not in strict accordance with GAF's printed application instructions, if the improper installation was the cause of the damage.
 - (b) settlement, movement, structural damage, or defects in the building, walls, foundation, or the roof base over which the GAF Products were applied.
 - (c) inadequate ventilation.
- (2) Damage resulting from causes beyond normal wear and tear, such as:
 - (a) acts of nature, such as hail, fire, or winds (including gusts) over the applicable wind speed listed above except there is no maximum wind speed restriction for shingles covered by the WindProven™ Limited Wind Warranty.
 - (b) impact of traffic on the roof or foreign objects, including damage caused by objects blown onto the roof by wind.
 - (c) improper storage or handling of the GAF Products.
- (3) Ice damming, except for leaks in the area of your roof deck covered by a GAF Leak Barrier which are caused by a manufacturing defect in your GAF Leak Barrier.
- (4) Shading or variations in the color of your GAF Products or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles or ridge cap shingles were labeled with the StainGuard Plus™ or StainGuard® logos), or other contaminants, including that caused by organic materials on the roof.
- (5) Labor costs, except as specifically provided for above, disposal costs, tear-off costs, and costs related to underlayments (unless your claim involves a manufacturing defect in a GAF Underlayment), metal work, and flashings.
- (6) Damage to the interior or exterior of the building, including, but not limited to, mold growth.

Other Limitations Concerning Coverage

Decisions as to the extent of repair, re-cover, or cleaning required, and the reasonable cost of such work, will be made solely by GAF. GAF reserves the right to arrange directly for your GAF Products to be repaired, re-covered, or cleaned instead of reimbursing you for such work. The remedy under this warranty is available only for those GAF Products actually exhibiting manufacturing defects or algae discoloration at the time your claim is settled. Any replacement GAF Products will be warranted only for the remainder of the original warranty period. GAF reserves the right to discontinue or modify its shingles or accessories, including the colors available, so any replacement GAF Products may not be an exact match for the GAF Products on your roof. Even if GAF does not modify a color, replacement GAF Products may not match your original GAF Products due to normal weathering, manufacturing variations, or other factors.

Claims: What You Must Do

You must notify GAF about any claim within **30 days** after you notice a problem. You may report a claim online at gaf.com/contact, by calling GAF at 1-800-458-1860, sending an email to warrantyclaims@gaf.com, or by sending a notice in writing to: GAF, Warranty Claims Department, 1 Campus Drive, Parsippany, NJ 07054, USA. You will then be provided with complete details about submitting your claim. You will be required to provide proof of the date your GAF Roofing System was installed and that you were the owner of the property at that time (or that the warranty was properly transferred to you). In order to receive Lifetime warranty coverage on your GAF Accessory Products or the WindProven™ Limited Wind Warranty, you must also provide proof of purchase of your GAF Accessory Products. You may be required to send to GAF, at your expense, photographs and sample products for testing. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this limited warranty. If you repair or replace your GAF Products before you notify GAF about your claim or before GAF has completed its evaluation of your claim, your claim may be denied. If you need to repair or replace your GAF Products before your claim is resolved, you **MUST** provide GAF with reasonable notice. **NOTE: Notice to your contractor, dealer, or home builder is NOT notice to GAF.** You should retain this document for your records in the unlikely event that you need to file a claim.

This limited warranty is your exclusive warranty from GAF and represents the SOLE REMEDY available to any owner of GAF Shingles or Accessories. GAF makes NO OTHER REPRESENTATIONS, CONDITIONS, GUARANTEES, OR WARRANTIES of any kind other than that stated herein. GAF WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING, whether any claim against it is based upon breach of this warranty, negligence, strict liability in tort, or for any other cause. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you. New Jersey state residents are encouraged to review their rights under the agreement, as provided under the New Jersey Truth-In-Consumer Contract Warranty and Notice Act ("TCCWNA").

The United Nations Convention on the International Sale of Goods shall **NOT** apply either to the sale of the GAF Products or to this limited warranty.

(**Note:** Warranty subject to change. The warranty in effect at the time your GAF Products are installed is the version of the warranty that will govern your claim.
